5	5	5	5	5	4	5	\$10	Wonderful keynote speakers. Action groups very helpful.		
5	5	5	4	4	3	5	\$20	A little cold today. A printed schedule posted online too.		
3	4	4	5	5	5	4	\$10	Action group setup got a litte aggressive. Pulling people out of groups to replace others felt a little rude.		
4	5	5	5	5	4	4	\$10	Very well organized. Good speakers.		
5	5	5	5	5	5	5	\$5	Looking forward to move.		
4	5	5		5		5	\$10	The speakers were great. Liked that you used the ABC system to find an Action Meeting Group because of my shyness to ask someone to be in my group.		
5	5	4	4	5	5	5	\$10	It was a bit cold in the room.		
5	5	4	3	4	3	4	\$10		Yes to speakers! More examples of success.	
4	5	5		5	5	5		I'd like members' shares at end be more open,not just actions, say fifteen seconds - actions, gratitude or feelings.	Sponsorship - place for it to happen more somehow. Help to find them. People raise hands willing to be.	
3	5	4	3	3	4	3	\$10	I was confused why the 7th Tradition was passed since a \$10 donation was mandated as an entry fee! (Seventh Tradition is usually only at meetings not charging an entry fee.)	Hire professional coaches to speak or someone who is a walking example of prosperity in every ay!	Do a Powerpoint presentation!
5	5	5	5		2	5	\$5	Get people up, something physical, real quick, like get all the As, Bs, Cs in one area for a minute, give the rules, then say, OK, go!	Talent share	I'm looking for speakers for our PTV - prosperous travel vision meeting.
5	5	5	4	5	5	5	\$10	Thank you, thank you, love and blessings!		
4	5	5	3	5	3	4	\$10	I think the reading materials are lovely, and I'm not sure if I'll use them. In terms of publicizing the events, I would suggest advertising the agenda ahead of time.		
3	4	4	5	5	5	2	\$5	This may just be my kneejerk stinginess. \$10 is probably what you need for the space.	I thought the cheering and whistling - normally soft of discouraged in 12-Step meetings - was a real distraction and kind of a drag.	I would like to see more acknowledgment on both sides that UA & DA are connected, rather than completely separate fellowships. Who are we kidding? Both groups would benefit.
5	5	5	5	5	5	5	\$10	I learned how to give an action meeting. It would have been helpful to have more help before the day how to give one as I only had one before this month ago.		Keep urging others to attend Intergroup meetings as observers to see the joy created by serving.

5	5	4	2	4	3	5	\$10	Use the room's AV facilities.		
5	5	5	5	5	5	5	\$10			
5	5	5	3	5	5	4	\$10	We needed specifics on cards for people giving service to respond/suggest to people needing to take action.		
5	5	5	5	5	4	4	\$5	More graceful way of people connecting into groups. Perhaps go around asking about what people are looking for.	Filtered water available from dispensers or bottles.	
5	5	5	5	5	3	5	\$10	Thanks so much - today was magnificent! I'm so grateful! Perhaps more clarity on website regarding the "structure" for the ay, i.e., schedule of speakers, schedule of action groups, etc.		Perhaps more meetings for self-employed or business owners during weekday daytime hours. (The meeting I know of is Monay @ 8pm/Realization Center(
4	5	4	4	4	4	4	\$10	Greater clarity in advance as to format of the meeting.		Take an event "on the road" to a location that does not have mant meetings but would gather beyond Manhattan abd/or 5 Boroughs
1	1	1	1	1	1	1	\$50		Handouts - worksheet/forms per process and/or activities	
4	4	4	1	4	2	4	\$10	Need a printed schedul of events. Timeline and schedule on web would be helpful. Please provide coffee/refreshments and printed agenda.	Back to Basics Step workshop.	
5	5	5	3	5	4	5	\$10	The way the action meetings were organized was great. I think the guide for conducting action groups could be more clearly and succintly written.	Visions ` creating visions and goals.	
4	4	4	4	4	4	4	\$10			
5	5	5	5	5	5	5	\$10			
4	5	5	5	5	5	4	\$10	30 minute action meetings tooshort! 45 minute meetings might work.		
5	4	4	4	5	4	4				
4	4	4	4					Have a writtem agenda at the registration table and online as long before the event as possible.		
5	5	5	5	5	4	4	\$10	The action groups needed time at the beginning to determine procedures (format to use, note-taking, etc.) before getting started with the first person. Also, the mike was interrupting the convocation when announcing time to chage, speaking too much.		
5	5	5	5	5	5	5	\$10	It was great. It would have been nice if the action groups were set to happen an hour after it starts because some people were unintentionally late.	Have a big one in Fort Lee, NJ regularly. Hoboken, NJ is another great location.	Get a good space in Fort Leem NJ where seminars can be done, and Hoboken, NJ.
